Dear Club,

My best friend Annabel is a lesbian, and, whilst I am happily married, she had always joked that I could be 'converted'. She insisted that once a woman had gone down on me that there would be no turning back. Annabel has always been free and single, and whilst I had never really thought about other women until we met, her stories of what she gets up to with the girls she pulls have always turned me on. Some of the activities are the same, let's be honest! I'm writing to tell you about when I finally cracked last month, as it was definitely an experience worth sharing.

She was giving me one of her typically vivid descriptions of what she did with her most recent conquest, when for some reason I said what I was thinking by muttering, "She must have enjoyed that." Annabel was stopped in mid-flow, and looking at me naughtily, replied, "I've always said you can find out if you want to." It didn't feel strange at all her saying this, as I knew her so well.

"Alright then," I answered with a heightened anticipation in my voice and lay back on the sofa. She moved towards me and without speaking, fixed her eyes on my mouth, then down to my chest and finally to my crotch. Annabel had adopted a wild look in her eye that I had never seen before, as she undid my trousers and dragged them over my hips. Her delicate fingers threaded my panties down my legs, and I could see my tummy quivering with anticipation.

I parted my legs and she ran her tongue along my left thigh, then my right. My pussy felt so exposed and the moment her soft lips touched it, my thighs instantly clamped together around her face. Relaxing, I allowed her to push them back apart as she began to lick my cunt lips ever so gently with the tip of her tongue. The sensation was incredible, and she began pushing my lips open, moving her tongue side to side. She then squirmed the length of her tongue as far in as it could go, as her fingers splayed my cunt open. I found myself gently pushing back, as she probed my entrance. Dragging her tongue upwards she settled on my pulsating clit, and replaced her tongue with a finger inside me.

My pussy was soaking now, and Annabel knew just how to keep an intense sensation going, never once moving from my swollen button. I began to force my pussy against her face, as another finger slipped into my arse,

TOP OF THE CLOPS!

Dear Club,

Thanks for the great mag. My votes for the Girl of the Year are below:

Top 3:

- 1 - Candice - edges top spot thanks to the best bum of the year!
- 2 - Anneli
- 3 - Tiffany

However as an avid reader I took my vote seriously and spent an evening looking through the whole volume. My favourite girls of each issue are below, with special awards from me:

Issue by Issue

Issue 1 - Mia

Issue 2 - Bree

Issue 3 - Natasha - definitely the cutest girl of 2013. Would have been my girl of the year if she'd shown us her pussy!

Issue 4 - Tiffany

Issue 5 - Anneli

Issue 6 - Natalia

Issue 7 - Frida

Issue 8 - Stella

Issue 9 - Faye - best pussy of the year

Issue 10 - Tessa - so close to the top three, and the best boobs of the year.

Issue 11 - Candice - best bum of the year.

Issue 12 - Clover

Issue 13 - Holly

Speaking of Holly in issue 13, the Teenage Licks feature started off brilliantly, but the last two have been a bit different in style. I'd love to see more 'butter wouldn't melt' girls like Holly in future as she is perfect for this feature, and though I wouldn't want to see Club become a teen mag this feature is one I'll look forward to in future issues! All the best in 2014 and the rest of Volume 43.
Michael, Birmingham

Well, the votes are in - check page 34 for the run down. And cheers for the issue by issue breakdown, Michael, it's good to know who floats our reader's boats. Great call on Candice, we loved her, but sadly yours was the sole vote for this cutie!

ROCK ON TOMMIE!

Dear Club,

Fuck, what an issue. Anneli and Conny are two of my all-time favourite girls, and Sophia Knight never fails to give me a stiffy. But the Tommie-Jo pictures were the best I've ever seen of her. She looks like the kind of girl who wouldn't normally open her legs, but the fact that she's fit as fuck and dirty tops it all off. I think she'd be the perfect regular girl for *Club*, but then so would Anneli, Conny and Sophia!

Joe, Otley

We were proud of that issue, Joe, and it was a real tussle over which of those amazing girls was going to get the cover, but we were so chuffed with the Tommie-Jo pics it had to be her. We're steering clear of having a 'Club girl' at the moment, if only because the last two we were going to invite to join that hallowed club promptly stopped modelling!

my sphincter gripping it tightly. The intensity with which she worked at both holes, and the rhythm she created as she tongued my clitoris, was like nothing I had ever experienced before. She wasn't waiting for something else, she was just eating my twat like it was the best thing she had ever tasted.

She suddenly commanded, "Cum on my fucking face now, you little straight bitch!" before clamping her mouth over my mound. I came with a shudder so big that I had to wrap my thighs back around her face to keep my cunt against her lips. Her tongue was back in my hole, getting everything, and when it had subsided, she rose from between my legs glistening with my juice.

She knew that she had convinced me about what women can do for each other, but I told her I still loved a fat cock inside me. She simply replied, "No problem, I'll bring the strap-on next time." I'll tell you about that another time!

LOLA ♣

She is a showgirl...

Lola returns to *Club* by popular demand, with several readers demanding another sighting of this diminutive sex-doll, and some of them questioning our sanity in not having this girl in every issue. We'll let Lola herself explain.

"I haven't been posing for photos," the Euro babe reveals, "because I've been a bit too busy with my hardcore career. I've been doing lots of lesbian stuff and a little bit of boy/girl as well. If you know where to look, you can see me doing some pretty rude stuff. And I enjoy it so much I'm going to do a lot more!"

See? We're not getting in the way of that... ♣

COURTNEY ♣

Our Courtney love...

Courtney makes her debut in this issue, and judging by the stir we've already had in the office over these photos, it won't be a one-off.

"Can you send me a copy of the magazine please," Courtney asks

oh-so politely. "I don't think we can get this in California. And if you do, there's always a place in Cali for you to stay when you come out here."

As long as you don't mind us drilling a hole in your bedroom wall, we'll be right there... ♣

ANAL THERAPY

It was Sandra, my best friend, who set me up to lose my anal virginity. She didn't tell me that, of course, as I never would have gone along with it since I'm not that kind of girl. At least I wasn't. Sandra bought me a token for an all-in massage at a fancy place in town. It wasn't my birthday and, to be honest, I would have preferred a nice bottle of Merlot and an Indian take out, but she insisted that it would be good for me. "It'll change your life," she said. I rolled my eyes when she told me that. What kind of massage changed a girl's life? As it turned out, this one did. When it said all-in, it really meant 'all' and 'in'.

I laughed when I saw that I was getting a massage by 'Tiger'. Apparently all the masseurs had ridiculous names but I went absolutely silent when Tiger removed his robe. He was naked. My jaw dropped as I stared at his buff body, my eyes drawn to the hard curve of his cock. "What kind of massage is this?" I asked, with my back pressed against the door.

"It's a special massage," Tiger said. "How special is up to you."

With that cock jutting up hopefully, I had a good idea of what 'special' meant and wondered just how far I would let Tiger go. I was still wondering after he'd ripped my paper knickers off and was slowly working his hands up my spine towards my neck. It wasn't the

hands I was wondering about; it was the heat of his cock moving between the cheeks of my bum. I quivered as I felt it prod my anus, and Tiger took my quiver as a signal to push his cock down the length of my slit.

"Ooooh!" I hissed, nearly swooning as his cock parted the folds of my pussy and ran over my engorged clitoris.

"You like that?" he asked, while grinding his oiled shaft up and down from my anus to my clitoris. I'd never felt anything like it.

"No, I love it. Please don't stop what you're doing to me." I wasn't talking about the way his hands were moving over my shoulders, although that probably did feel good as well. It was hard to tell since what he was doing between my legs felt amazing. Losing myself in the pleasure of it, I parted my thighs and angled my hips, willing him to push not just down but inside. I gasped as Tiger's cock caught on my pubic bone. He knew what my body was asking for and slid his cock downward into my very wet pussy.

"Oh my God!" I groaned, as he filled me with one perfect thrust. Having buried himself in me, Tiger stopped and the way he lingered filled me with erotic bliss. It was perfect.

"What do you want?" he asked.

"I want you to fuck me," I answered with a slightly sheepish tone. I didn't even know the guy's name. It seemed important. "What's your name?"

"Terrence," he said. "But I prefer Tiger when

the way that he said the words that he had used them on other women. Lots of other women. The idea of being just another conquest thrilled me. My orgasm overwhelmed me, my slick, juicy hole, spasming around the cock sawing in and out of me. The cock stopped, causing my body to surge harder.

Was he cumming inside me? Was he gifting my body with his spunk? My pussy wanted it and it drove my orgasm harder and higher. But it was what Tiger did next which changed me. He withdrew his cock from my pussy and pressed it against my anus.

Although I consider myself to be sexually adventurous, I've limited myself to fingers and tiny toys up my bum. My anus winked closed, tighter than a submarine's hatch, not allowing him to penetrate me in the slightest.

"Relax," he said, still being persistent.

"Sandra loves this part."

"You've stuck your cock up Sandra's bum?" I asked, unable to stop the mental pictures of my friend in this same position.

“Responding to my encouragement he pushed deeper, burying more of his cock inside my bum”

I'm in here." There was a twist of amusement in his voice but there was nothing funny as his cock pulled all the way out of me before pushing forward again. Every stroke started by parting the lips of my pussy before plunging right down inside me, stretching me open. I moaned with pleasure as the sensation from each stroke grew, combining and building with the sensations from the last. "Ohhh," I moaned and angled my hips again, trying to draw Tiger's cock even more deeply into my desperate pussy. "I'm going to cum," I gasped. My heart was pounding and the blood was rushing hot through my veins. The pleasure was dizzying.

"Cum for me," Tiger growled. I knew from

"Several times," Tiger confirmed. If Sandra enjoyed it, then perhaps I would too.

"I've never done anal before," I told him, my body still squirming to keep him at bay.

"Do you want to try it with me?" he asked, pulling his cock away. My body instantly missed the touch of Tiger's cock.

"No... wait! I want to try." The words came out without me realising that I'd made a decision. "Promise to be gentle?" I asked, having second thoughts about inviting a cock into my arse.

"I'll be gentle and I'll stop if you ask me to," he answered, and pressed his cock once more against my puckered hole. Tiger used his voice to relax me while his fingers and

Med, they even have TV shows about them. How come there aren't any programmes about 30-somethings going wild in Austria? A few weeks back, my mate Graham and I went to Vienna for a cheap weekend break, intending to get a bit of culture and drink a lot of Bavarian beer. We

cock coaxed my sphincter to cooperate. By the time my muscles gave way to his pressure, I was desperate to know what his cock felt like inside my bottom.

"How does that feel?" he asked.

"Nice," I replied softly. It felt very different than having him inside my pussy, a foreign kind of pleasure. I liked it and started rocking my arse against his slow and easy strokes. Responding to my encouragement, Tiger pushed deeper, burying more and more of his cock inside my bum. I felt my ass heating up and wriggled into a position so that I could reach under myself and rub my clit and my pussy while Tiger picked up a perfect ass-fucking rhythm. Once again the pleasure built quickly and I was close to telling Tiger that he was going to make me orgasm again.

"I'm going to cum," he announced. I was right at the point of my own eruption, and only just managed to hold off. I wanted to wait for him to start spurting his jizz into my bottom as I knew that it would enhance my pleasure. I could barely breathe as Tiger thrust fast and hard into my bottom before groaning as he held his cock deep inside me. I rubbed my clitoris frantically and my body shook as I started to climax. My ass clenched uncontrollably, demanding every last drop of his cum. It was absolutely wonderful and the intensity of it left me breathless.

Tiger had cleaned himself up by the time I had recovered enough to move. He held my gown for me and kissed my lips as he wrapped it around my shoulders. Now that I was vertical, his cum was seeping from my gaping ass and sliding down my thigh. "I think I need a shower," I said.

"Did you enjoy the massage?"

"You know I did," I mumbled, feeling my body flush with the memory of what I'd let Tiger do to me. "I don't suppose you do home visits?" Terrence laughed but I wasn't joking.

"I'm not allowed..." he started to reply.

"Sandra and me together?" Terrence stopped laughing, dug into a plastic wallet and handed me his card.

"Soon?" Terrance asked, hopefully.

"I'll need to check with Sandra." I also needed to thank her for the wonderful present, perhaps by offering her a special massage of my own.

Simone, London

FRAULEIN FUCKING!

Everybody knows about those sun, sea and sex holidays for pissed up teenagers in the

ended up drinking a lot of Bavarian beer and shagging three of the horniest Frauleins we'd ever seen!

We first met Anita, Mia and Greta at a bierkeller. Anita was a statuesque blonde babe in tight PVC trousers and a boob tube that barely covered her great tits. Mia was shorter, with cropped, dyed red hair and a cheeky grin while Greta was a plumpish, sexy, dark haired girl with massive knockers.

We were all pretty pissed by midnight and we'd had a right laugh with the girls, trying to communicate in broken English and flirting outrageously. I really fancied Greta even though she wasn't my usual type. There was something really horny about her, and I was well pleased when I got to snog her at the bar, her tongue thrusting into my mouth and those amazing tits squashing against

my chest. My dick was throbbing and I was desperate to fuck her when Graham told me that they'd invited us back to Mia's flat for more drinks.

It wasn't long before Greta and I were getting down to more snogging on Mia's sofa while Graham and blonde Anita lay on the floor messing around. I could see he'd managed to get his hand inside her tight trousers and was rubbing her cunt. Suddenly, I felt a hand on my crotch. Looking down, I saw flame-haired Mia yanking at my trousers. She dragged my semi-stiff dick out and plunged it straight in her mouth, sucking it hard in a couple of lovely strokes. Stunned, I realised the girls must have planned this back at the bierkeller, because Anita and Greta were both smiling as I sprawled on the settee with my knob jammed in their mate's mouth.

Graham was slow on the uptake, too wrapped up in Anita as he eased her trousers over her arse to reveal a gorgeous bald pussy. I watched Graham slide his hand back between her legs, and slip a couple of fingers into her shaven and dripping gash. Fuck, this was good! As Mia's gobbling got harder and faster, Greta decided it was time to make me very happy and pulled her top up over her

head. Her massive breasts were crammed into a huge black lace bra and her cleavage was like a fucking ravine! I nearly spurted down Mia's throat but held back and plunged my face into those heavenly soft mounds before me. What a way to suffocate to death!

Graham was by now banging Anita on the floor. Mia was bent over Anita, sucking her tits with Graham's fingers pumping in and out of her cunt. I, on the other hand, had the comely cunt of Greta rising and falling on my dick as I watched the floorshow before me with a big handful of beautiful boob in each hand.

Graham pulled his cock out of Anita and, with Mia's help, sprayed her tits with thick dollops of cum as Greta grunted faster and climaxed on my prick. She fell to her knees on the carpet and hungrily lapped at the spilled jizz on Anita's chest as Mia sucked the last drips of seed from Graham's tool. Where the fuck should I come off? I thought to myself, surveying the pile of bodies before me.

The sight of the puckered bumhole between Greta's gorgeous round buttocks soon settled that. I climbed on top of her from behind and inserted my cock slowly inside that tight tunnel of lust. Fuck, she was tight! I only got in about four or five thrusts before the spunk

rocketed out of my balls and jetted deep inside her quivering rear.

We never made it back to the hotel. The three girls kept us on the boil continually with hot lezzie action between draining our dicks at least four times each during a very long night. I don't know if it's a thing about Austrian girls in general, but all three of them liked it in the bum.

I could hardly walk up the steps to our hotel when we finally left their flat! Fuck Ayia Napa. Go for some cunt, crack and culture in the city. You'll need another holiday to recover!

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

That Johnny Depp gets himself some nice birds, doesn't he? It's bad enough to live with Vanessa Paradis for years, but now he's engaged to Amber Heard, an actress who specializes in sharing her lovely blonde body with us all. She can act as well – although you wouldn't know that from *Drive Angry*, to this day the single worst film *Club* has ever watched. But with her topless roles in *The Joneses*, *Alpha Dog* and *The Informers*, we can forgive her that hideous film. Now she's got a famous bloke on her arm, we probably won't get to see her tits any more, so enjoy them while you can... ♣

MADISON ♣

Who needs boys?

On some lesbian photoshoots, you have to almost literally place the girls' fingers and tongues for them. They haven't got a clue. That didn't happen with Capri and Madison. In fact, it was more a case of wind them up and watch they go, just occasionally informing them that the laws of our nation prevent us from showing fisting, anal strap-on action and inviting the photographer's assistant to get his cock out and tit-fuck them. Rest assured, these things happened... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Oil of Fiction!

Now we all know that black don't crack but posing as somebody half your age? This is not the movies and you are definitely not Drew Barrymore in *Never Been Kissed*. Charity Johnson, 34, pleaded guilty to failure to identify after she enrolled as a 15-year-old sophomore at an East Texas high school. Johnson was arrested after a woman who allowed Johnson to stay at her apartment discovered she wasn't a teenager. Johnson was sentenced to 85 days in jail. Keep applying the night cream love!

Fecal Flinger!

This lady wasn't in a very charitable mood when the Cure Breast Cancer Walk passed beneath her building. Police reported that the unidentified woman unleashed a torrent of rubbish from her 5th floor apartment consisting of frozen chicken breasts that left a 13-year-old girl with a welt on her forehead and roughly 10 pounds of soiled cat litter. A firefighter working at the event helped police locate the apartment of the cat khazi catapulter, who initially refused to answer the door. Eventually she stated that she had worked a long shift and the racers had woken her. The offender was taken to King County Jail. Next time stuff the cat poo in your ears!

What A Whopper!

In Russia's justice system size really does matter, as one man's dongle has landed him in jail. Tomas, who stood accused of stealing a mobile phone, had recently moved to Russia from the Ukraine to live with his Aunt. On being arrested he claimed to be only 13, so the court ordered a physical examination that included looking at the meat and two veg. The doctors estimated his age as 16-17 and fit to be tried as an adult. The judge promptly threw Tomas in jail. Naturally his family is protesting with documentation that proves he's not lying and the case is under review. So being a big boy clearly can be more trouble than it's worth!

Hose the Boss?

Now we've all pointed a hose and wished to be a firefighter when we grow up. However, Randy Allen Davison, 47, who is not a firefighter, decided to live out his boyhood dream and drive a fire truck. Or it might have had more to do with impressing his female passenger when Davison entered the Bridgewater Fire Station and removed the keys and vehicle. After a 30-minute joyride, Davison returned the truck and the keys to their original position. Davison was charged with unauthorized use of a vehicle and burglary. I wonder if he got a chance to put the sirens on? 🚒

TEENAGE LICKS

...all through the night!

Jessica is 18, from Michigan and has just discovered the extent to which she likes dick. No, she loves it.

"My first boyfriend wasn't very good with his," she giggles, "so I thought sex was overrated. Then I met a guy who had a smaller one but really knew what to do with it, and now I understand what I've been missing!"

So you're catching up?

"Yep, and I'm a quick study. I found out that I could deepthroat, and I love the taste of sperm. I love to swill it around my mouth before gulping it all down!" ♣

LEILANI ♣

A first time for everything...

It's Leilani's first time in *Club*. Now, if that seems like a serious case of professional neglect of our readership, we can only plead innocent. Because, it turns out, this is Leilani's first time anywhere.

"Don't get me wrong, I've done more photos since, and just made a handful of porn films, but these are my first pics," the 22-year-old from Charleston, South Carolina reveals. "I'm stoked to be in *Club*, it's so famous for having the hottest babes. Wait! Does that mean I'm one of them? Woo-hoo!" ♣

POLE TAXI!

In June I had a hat trick of disasters, losing my job as an office manager in the city and then my flat and boyfriend – not a good month to say the least! Desperate times called for desperate decisions and I decided to head to the countryside to stay with my uncle. In return for managing his farm over the summer I could stay rent-free and earn some cash.

So the joys of Lincoln beckoned and I swapped my 4-inch heel, thigh-high, fuck-me-boots for some knee-bending wellies and got stuck into the farm. To my horror, one of my jobs was to manage the staff, which seemed to include half of Poland. I was responsible for picking up the workers from the local B&Bs and driving them to the fields. So at 5am, looking like something my boots had squelched in, I pulled up and beeped my horn.

My bleary eyes soon widened, though, as five gorgeous Poles clambered in the van. I was speechless – not that anything I could

have said would have been understood. I dropped them off and watched them getting busy on the land. It was a huge turn on. I could feel my pussy twitch and try to get my attention, but I had to get back to the office (well, barn!). The next few hours dragged by and as the sun came out I could imagine my sexy guys stripping off and getting all sweaty in the summer sun.

To my delight I was asked to drop off their lunches and as I pulled up, I caught the eye of one of the youngest blokes. His tanned body glistened with sweat and every nerve was electrified from my nipples to my cunt. As I watched them eating from a distance, my fingers found themselves slipping down my trousers and into my soaked knickers. It had been weeks since I'd had any fun and I was going to make up for it now! I rubbed my pussy lips up and down and my fingers became coated in my juice. Pulling down my knickers to give me some room, I put my feet

up my trousers and asked him if he knew the phrase, 'I'll show you mine if...' He didn't reply but just came right up to me, bold as brass, and pushed my blonde hair behind my ears. Moving even closer so that his body was in between my legs, he gently pushed me back onto the passenger seat and lifted my T-shirt up, exposing my bare stomach.

I was gasping with anticipation as he ran his fingers from my belly up, slowly across me, and around my nipples. I was still so worked up from my finger fuck I came again. Having embarrassed myself twice within five minutes, I sat up and promised him more time and attention the next day.

Back at the farmhouse I showered and relived my horny encounter. I had to pick the guys up in a few hours to take them home, so I knew he wouldn't have to wait until tomorrow. I was gagging to get him out of those work clothes and on top of me. Making my plans obvious, I swapped my overalls for

“**Soon my three best digits were deep inside me as I worked myself into a panting frenzy”**

up on the dashboard and rubbed my hard clit.

Soon my three best digits were deep, deep inside me and as I worked myself into a panting frenzy I came beautifully, my juice dribbling down my legs onto the car seat. I couldn't believe I'd just done that! Wiping myself clean I still couldn't take my eyes off him. Then, to my horror, he started to walk over to the van.

In a panic I tried to get my pants back up, but then my foot slipped out of my left trouser leg and I was stranded there half-dressed. Turning round with my face red as a beetroot I saw him laughing, arms folded across his fit body. Muttering, "Oh fuck – please don't tell anyone," I was shocked when firstly he understood, and then secondly replied, in perfect English, "Don't worry. I'll keep this to myself if you promise to give me the whole show!"

Giving him my dirtiest grin I slowly pulled

a low-cut vest and a pair of skinny jeans to show off my pert, peachy arse. I didn't bother with underwear – there was no time to waste! As I arrived in the fields all the guys whistled and cracked jokes in Polish (well, I think they were jokes, anyway!) I dropped them off one by one, until I was alone with my guy.

He climbed over into the front seat and as I drove back to my barn, his hand slipped in between my legs. Glancing over I watched as he became hard and I was desperate to fuck his brains out. I couldn't wait any longer and pulled over into the fields, tearing my clothes off. I wound his seat down, then ripped and pulled at his clothes, hungry for his cock. I wasn't disappointed. His gorgeous body was hot and smelled of the land. My pussy screamed at me in lust.

Lowering my body on to him until I couldn't take any more, I grabbed the head rest and started to ride him. His tongue darted between my nipples as one hand reached round my arse to guide me down onto him harder and faster.

His other hand reached in between our legs and rubbed at my clit until I fucked him too fast and he was unable to keep up. I switched positions so I was leaning back on the dashboard, my back and red raw arse facing him. His cock felt twice as big and I screamed with every thrust.

Before I knew it he slipped a finger deeply but gently up my arse. As I bounced up and down on his finger I couldn't hold back any more. It's unusual for me to cum before a fella, but this was the fuck of a lifetime. I screamed and gushed juice until I was completely exhausted.

As I collapsed in a satisfied heap I suddenly realised this was the second time today I'd cum leaving him high and dry. Now, I like to show good hospitality. After all, good manners count! So taking his pussy-soaked length in both my hands, I worked his beautiful, sexy cock. He, or should I say I, tasted darn good. And as I sucked, licked and wanked him until he was busting his balls to cum I looked up at him, wide-eyed, opening my lips wide and ready. He filled me to the brim with hot creamy cum and as I let it dribble down my chest I knew I'd been converted to a country girl and that I had one hell of a summer ahead of me!

Kate, Lincoln

SHAVE THEN STUFF!

Well, hello boys! I know what you're here for already, right? So let me tell you what I'm here for, so there can be no

“**Pump those fingers in and out, harder, faster, ram them into my cunt as hard as you can!”**

misunderstandings at all... as if you couldn't guess. I'm looking for a wild time. And I want that wild time to include you shafting me as hard and fast as you can. I want you to dig your dick into me as deep as it'll go. I want to be sore in the morning, but easy for now. I'm not going to let you fuck me straight away. Oh no. First I've got a little task for you.

Right then. Now you know where you stand, have I got your complete attention? I guess that bulge in your trousers is a 'yes'. Well, onto that little task then... Let me get out of these panties. There, what do you think of my quim? No – no touching yet, I like to keep my pubes in order, nice and neat. That's where you come in. You're gonna give them a trim. Here's a razor, the foam's over there. I just want you to take the bristles off that are around my outer labia. But the real challenge is, the razor can touch my pussy, but you can't! You've got to get that close; so close you can smell how much I want your cock inside me – but you can't touch.

I'll spread the shaving foam where I want you to shave. You're not allowed to touch, remember? Now then, you know how to shave right? Get on with it then! That's it. I'll stretch the skin for you so you can get into those crevices. Yeah, nice and gentle.

I like fucking with a clean-shaven pussy. Don't forget, it won't be too long before you can slide your throbbing, rock-hard cock into me. You still hard? Oh yes, you are. Just

because you can't touch me, doesn't mean that I can't touch you!

Mmmn... hey, I said you couldn't touch! Not that I'm going to complain now – don't stop touching right there. Wipe away the last of that foam so you can see what's going on. Oh, lick me, taste me, tongue my clit. Oh, fuck! You've turned the tables on me. That's it, run your tongue over my stiff little bud, swirl your tongue around it. Every time you run over it, there's a little electric jolt of pleasure.

Oh yeah – those jolts of pleasure are gradually getting bigger, better, you certainly know how to lick a girl. My clit's getting all this attention though, and my cunt is so hungry to be filled. No, don't stop licking! Ram a couple of fingers up my eager, wet hole! Uhh! Fuck, you're gonna make me cum. Pump those fingers in and out. Faster! Harder! Ram them into my cunt as hard as you can! My clit's burning now, it won't be long. Fuck, my knees are twitching. This is going to be big! Oh my God! I'm cumming now. Uh, yeah... uh... uhhhhhhh. Oh, man! That was fucking fantastic!

Well, now you've given me what I was asking for, don't you think it's time I returned the favour? Course it is! So what is it you like girls to do for you, huh? No, don't answer, I'll find out for myself. My, that is a beauty, all thick and veiny. Ribbed for her pleasure, right? I bet I'll be able to feel each one of

“How does it feel to have my hot cunt flesh pressed around your dick, my juices dripping on your balls?”

Ohh, that's it, pull me close to you, and feel my tits pressed against you. How does that feel? I love it when people pay special attention to my tits – it really gets my cunt juices flowing. Ah, you know how to take a hint, don't you? I love the feel of your hands caressing my boobs and brushing against my nipples. Ooh yeah, feel between my legs, wet aren't I? I want you in there soon... but not yet.

Nibble my nipples, that always makes me uncontrollable. Ohhhhh... just right. Not too hard, but enough to send a thrill through me. I don't think I can wait any longer to feel your dick entering me. I want to feel it part my pussy lips and ram right into me, now. Keep nibbling and licking my tits. I'll grab your cock and guide it home. There, it's resting against my cunt lips now. All you've gotta do is thrust it in... uhhh! You're in me now, in me to the hilt. How does it feel to have my hot cunt flesh pressed around your dick? How does it feel to have my pussy juice drip down your bollocks? If it feels half as good as it does to have you inside me, I'm gonna be feeling a flood of jizz deep in my hole soon.

That's it, start thrusting. I'll buck forward onto your dick as you ram into me. Go on, fuck me hard. The harder you fuck me, the bigger I cum! That's it, reach as deep inside me as you can, that way your cock tickles my G-spot. Go on, that's it, delve deep, I want to feel the powerful spurts of your spunk spill out inside me. Come on... uh, fuck, that's good. I'm gonna cum. Harder, faster! Ram it in! I'm cumming – oh yes. Oh yes! I'm there! Sweet fuck that feels good!

Now, come on, shoot inside me. Empty your balls in me! Feel me squeeze my cunt around your shaft. Feel it's hot, firm, wetness encase you. Uhhhhh, yes! Mmmmn, I can feel it spurting out inside me. God, I love the feel of hot spunk splashing against my cunt-walls. That's so fucking deep it feels like it's going to come out of my throat!

Now that was a fucking wild ride – you sure know how to show a girl a good time! Remind me to look you up again. Man, am I gonna be sore in the morning...

Eve, Edinburgh ♣

those veins with my cunt walls, later. Your helmet's so purple and shiny, it just looks so appetising there, standing erect, with a little drop of pre-cum seeping from your Jap's eye. I'll just lick that off for you. I see, that's something you like is it? You like having your dick sucked? Well, I suppose I could arrange for that to happen.

Now that is a meaty tasting cock. I wonder if I can fit all of it in my mouth and throat? I'll just slide down your shaft, inch by inch, and see. Not quite. That has made you quiver! Now what I'm gonna do is wank you into my mouth, letting my moist lips caress the rim of your helmet. When it's time for you to shoot your load, I want you to spunk all over my face!

How does that feel? Me wanking your spit-slavered shaft, and at the end of every stroke I take your helmet into my mouth and swirl

my tongue around it? No need to answer – I can feel by the way it's twitching at the base that it won't be long before I take a face full of your jizz. Now, I'm just lightly catching the edge of your cock head in my teeth. Good, huh? And I'm cradling your balls in my other hand, gently massaging them. I bet you won't be able to hold onto that spunk for much longer.

As your jizz shoots out I pull back and take the blasts of hot, salty cum to my face. Fuck! That is sooo dirty! There's jizz dribbling down my cheeks, chin, lips – shit, it's even in my hair. That is so filthy. You really are dirty, aren't you? But then I'm a dirty girl, so we go together just fine. I might go out with some spunk still in my hair later and see if I get any strange looks. It'll be a constant reminder of our moment of passion. Right now though, my cunt is hungry for your protein-rich spunk.

CONNIE ♣

Window undressing...

Connie spends most of every day walking about in next to nothing. So it's not surprising that a couple of her neighbours have got their telescopes trained on her place. We would.

"I could report them, of course," she laughs, "but I actually find it a turn-on. I like to put a show on for them, to play with my pussy or get a dildo out. I make sure they can see. And then if I invite a girl or guy over, they can see that as well. I don't care if they're jerking off. In fact, I hope they are. If they're not, then I'm doing something wrong!"

No, Connie, you're doing everything right... ♣

ALAINA ♣

On the fringe of ginge...

Our never-ending search for gorgeous redheads led us to Alaina who, while not the full ginge, is definitely on the 'strawberry blonde spectrum'.

"Yeah, I'm a little red," says Alaina, "and that gives me my wild streak. It fits with my star sign too..."

We apologies if we glazed over and tuned out at this point. Alaina is a lovely girl, but there are some things a man just doesn't have to listen to, and astrology bullshit is covered by that.

"...and then they both took out their dicks for me to suck clean and coated me with lots of lovely jizz. That was a crazy night."

Shit! What did we miss? ♣

JENNY ♣

Phwoar on the floor...

Club favourite Jenny is so highly-sexed, there isn't anywhere she won't get down to it. On the floor, on a sofa, on a rug, a car bonnet. These are all places she's fucked on and will fuck on in the future. Nowhere is out of bounds.

"When the urge takes me, I really don't care where we are. I've dragged a man into a supermarket toilet before for a quick fuck. I've done it on planes, trains, upstairs on the back of a bus. The downside of being so highly sexed is that you get caught occasionally, but happily not by police. I went to enrol at a college for typing lessons and ended up sucking the lecturer off under his desk. I didn't even end up doing the course, but he had a lovely cock!" ♠
